

CAMP TECUMSEH

WE are proud to report that our beloved Camp Tecumseh is in great shape! This past summer, our 114th, welcomed a capacity enrollment of boys, an excellent and experience staff, and one in which we kept the Hat! If you have been to Camp recently, you know the physical plant is as efficient as ever with recent additions of Munger Hall, a renovated infirmary, new guest rooms in the Farmhouse, and an ongoing special project with Camp's archives. If you haven't been back to Camp recently, join us!

Of course, a large part of our ability to deliver the finest camping experience for boys in the country relies on your support. Put simply, we would not be able to continue deliver our rustic experience and diverse program without the financial stability that you have all afforded Camp for over 100 years. Not only does the Blue-Gray Fund give us the ability to offer needed scholarships each summer, but endowment gifts ensure Camp's long-term stability. In total, our community contributed over \$400,000 to Camp in the 2015-16 fiscal year (October 1, 2015 - September 30, 2016). Here's a snapshot of the sources of giving:

Blue-Gray Fund (annual fund): \$155,000

Second Century Campaign (capital fund): \$225,000

Endowed Funds: \$20,000

You will notice through the Donor Report, this year's list is filled with great Tecumseh names! In addition to individual gifts, you'll notice the family funds that have been established and will live in perpetuity with Camp Tecumseh to support generations of campers. Many of these family funds have been established through the success of the Second Century Capital Campaign. New this year, we welcomed the McGinley, Kain, and Roe Family Funds! *The newly formed Roe Family Scholarship Fund is part of the Blue-Gray Fund, however it is distinct in that all scholarships will be awarded only to minority and/or inner city boys, providing a lifelong experience for these boys that otherwise would not be possible.*

In order to help us extend scholarships through the Blue-Gray Fund, perhaps this is the year to make Tecumseh your philanthropic priority and increase your Blue-Gray gift. For those that have never made a gift to Tecumseh, remember that we are the same 501c3 non-profit organization as the other organizations that you may support, and that all gifts to Camp Tecumseh are tax-deductible. Enclosed is an envelope for your convenience, and you can also make your gift online at our website, www.camptecumseh.net.

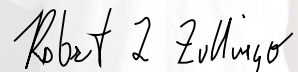

Thank you for your support of Camp Tecumseh. We are in great shape today and the more you all stay connected, the better we will continue to get! Be sure to visit our website - www.camptecumseh.net - to check out our brand new camp video, update your information, and connect to our social media!
