

CAMP TECUMSEH

2017 - 2018 BLUE-GRAY FUND ANNUAL DONOR REPORT

As we are amidst another unforgettable summer at Camp Tecumseh we would like to take a moment to thank you for your unwavering support of Camp's people, programs and facilities. It would not be possible to run this amazing place without such a loyal alumni and parent base that gives so generously. Your continued support of the Blue-Gray Fund and our Second Century Campaign will allow for camp to thrive into the future.

The process of maintaining the health, beauty, and history of campus is a perpetual endeavor, and recent projects have included renovations to the Junior Baseball Diamond, historic revitalization of the Lodge, and a new Lookout cabin. The reason so many of us remain connected to this community is the way in which Tecumseh offers a one of a kind, life changing experience. Your contributions are an essential part of our ability to provide those opportunities to new generations, and without them Camp would not be able to continue as it has for over a century.

As always, you will notice that the list of donors is filled with great Tecumseh names and families. Our community gave over \$400,000 last fiscal year (October 1, 2016 to September 30, 2017). This allows the Blue-Gray Fund to provide scholarships and Tecumseh summers that otherwise would not be possible. In addition, the endowment funds, many of which are a result of the success of the Second Century Campaign, live in perpetuity and help ensure that Tecumseh continues to remain vital in years to come. Here is a glimpse into where the funds came from:

Blue-Gray Fund(annual fund): \$195,000
Second Century Fund(capital fund): \$160,000
Endowed Funds: \$73,000

Perhaps this is the year to increase your Blue-Gray gift, and help us expand our scholarship program. For those that have never made a gift to Tecumseh, remember that we are the same 501c3 non-profit organization as the other groups you may support, and that all gifts to Camp are tax deductible. Enclosed is an envelope for your convenience, and you can also make a donation at our website, camptecumseh.net.

This summer we will have nearly 100 seven week campers, a number that has doubled in the last five years. The staff is filled with approximately 60% alumni which provides a perfect mix of the traditions of camp mixing with some new ideas as well. Within this staff there are twelve former college athletes and twenty-five current or future college athletes. More important than their athletic backgrounds though, is their character as people.

The staff is the single most important reason our enrollment has been so strong in recent years, and their work ethic and commitment to camp is what makes 'good boys better'. The campers cannot help but be inspired by the tremendous example that is being set on a daily basis.

Please stop in to see us if you are anywhere near Lake Winnepesaukee this summer.

Thank you, again, for your support.
