

CAMP TECUMSEH

2018 - 2019 BLUE-GRAY FUND ANNUAL DONOR REPORT

DEAR CAMP TECUMSEH,

As always, we want to thank you for your continued support of Camp Tecumseh. Your generosity has allowed thousands of campers to enjoy the Tecumseh experience over the years. I want to share a story with you that I recently heard from a parent that speaks well to the timeless tradition and brotherhood that all alums share as a part of Camp Tecumseh. For those parents, grandparents and siblings who are reading this and have not attended Tecumseh, I hope it gives you a deeper understanding of the unbreakable bonds that are created every summer at the lake!

On Saturday, November 9, Episcopal Academy won "The Sweater" back from The Haverford School by a thrilling 3-2 margin. The last event- the football game- was the deciding point. This rivalry and tradition always brings out great sportsmanship and competition, much like our Pemi day. After the football game's conclusion there was obviously a celebration amongst the EA fans and players. In contrast, Haverford's football team conducted their final postgame meeting in a somber mood. One particular EA football player cut his celebration short so that he could wait patiently for Haverford's meeting to be over in order to hug his Tecumseh brother and congratulate him on a great high school career. This encounter lifted the spirits of the parent who soon after ran into an EA faculty member and long time Tecumseh brother. When the story was shared, the EA faculty member- who also happens to be a Tecumseh staff member- quickly recounted a similar situation some forty years earlier when the tables were turned and it was a Haverford soccer player waiting to hug and congratulate an EA soccer player after a Haverford victory.

We talk often at camp about those who came before us and the desire to make them proud of what we are doing at camp today. It warms my heart that Tecumseh men are treating each other with respect and kindness no matter how difficult the situation. This is truly a sign that we continue to make good boys better.

This year the annual Blue Gray Fund raised \$199,000. Such tremendous generosity from our community ensures that Tecumseh will continue to thrive. Thank you, again, for all of your support. It is sincerely appreciated.
