

# CAMP TECUMSEH

2019 - 2020 BLUE-GRAY FUND ANNUAL DONOR REPORT

# DEAR CAMP TECUMSEH,

Thank you for your commitment and loyalty to Camp Tecumseh! We are coming to the close of a tumultuous year by all accounts and are certainly looking forward to 2021. Through this long and difficult year, my spirits have been lifted repeatedly by the kindness and generosity of our community. Thank you, always, for your terrific support of Camp Tecumseh!

Another bright spot for Tecumseh this year is welcoming Billy Kampmann back as our new Head of Community Impact. Billy and his family have been connected to Camp Tecumseh dating back to his grandfather's attendance as a camper in 1934. Billy's oldest brother, Chris, was a camper in 1982 while his brothers, Woody and Mikey were on staff in the early 2000s. Billy, himself, was on staff from 2004 – 2008 as the Head of Baseball and was the recipient of the Outstanding Coach Award. His wife, Katie, and two boys, Sammy (5) and Teddy (6), are looking forward to spending their summers at the lake. Billy is extremely excited to be back at Tecumseh and I hope that you will take the time to reach out to him directly.

Camp Tecumseh has always thrived with the backing of a terrific Board of Trustees, alumni, and parent base. During this past year, our community came together more than ever to provide a commitment to keeping Tecumseh the most beautiful place on Earth. When you give to Camp Tecumseh, you are strengthening and endorsing Tecumseh by providing an opportunity for campers to experience the timeless tradition of Making Good Boys Better.

We will be back better than ever in 2021 and look forward to an exciting 118th summer on the lake! Thank you for helping us continue to prosper, we sincerely appreciate your generosity!

Be Safe & Happy New Year,

Douglas Knight
