“The changes that I have seen in my son since he started going to Camp Tecumseh have been extraordinary. He has improved his independence, self-confidence, and leadership skills as a result of spending his summers with you. Without the support you have offered our family, none of this would be possible. Thanks again, and hope to see you again this summer.”

December 2011

It has been another exceptional year for Camp Tecumseh and we have many things to be excited about. Among them; our enrollment continues to be strong with 217 total campers, we opened a brand new 8,000 square foot indoor athletic facility appropriately named Munger Hall, and we held a tremendously successful Alumni Work Weekend to start the summer!

The 2010-11 Blue-Gray Fund surpassed its goal and raised \$161,000. That number is *up* about 10% vs. 2009-10 and 28% vs. 2008-09. In addition to Blue-Gray, \$23,000 was directed to the Pancho Mazza for Tecumseh Fund and Kurz Family Scholarship Fund. Our community contributed a total of \$184,000 to Tecumseh last year! This was a tremendous year and thank you all for your loyal and generous support.

This trend of increased giving can be attributed to many things, but we think it's important to point out a few of them. First, with your help, we are reconnecting many that have been lost or disengaged for years! Secondly, more and more in our community now understand and appreciate the impact that Blue-Gray support can have toward a young man's ability to attend Camp. And finally, many have now placed Tecumseh within their philanthropic priorities.

Thank you for the attention, the priority, and the awareness that you have all given to Tecumseh. Again this year, we will honor those in our community that are consistent Blue-Gray givers. Every organization has their backbone, and you are the ones we can count on each year to support us. Thank you to all that choose to give to Tecumseh, but a special thank you those whom give to Tecumseh every year.

The goal for the 2011-12 Blue-Gray Fund is \$150,000. As mentioned above, perhaps this is the year to make Tecumseh your philanthropic priority and increase your Blue-Gray gift. For those who may not be in that position, we ask you to simply consider maintaining your support to Tecumseh. For those that have never made a gift to Tecumseh, remember that we are the same 501c3 non-profit organization as the other organizations that you may support, and part of our budget relies on your support to be able to provide young men a life changing opportunity. We will continue to offer a "Sponsor a 7-weeker" giving level, which will be at the level of a full session tuition.

This past summer was Bob Glascott's final active summer at Camp Tecumseh. He has passed all of his facilities work to his son in-law Matt Birch. Bob has spent his entire summer at Camp Tecumseh, with his wife Pat and their children, since 1951. Bob and Pat will now spend part of their summers travelling to spend time with family and friends. Thank you Bob for your 61 years of commitment and service to Camp Tecumseh! You are a Tecumseh Legend.

At the most recent Board of Trustees meeting, Peter Stanley and Richie Allman were elected to Emeritus Trustee status for their years of service to Camp Tecumseh. Peter and Richie came to Camp in the early 50's and remain attached at the hip to this day. The Board would also like to welcome John T. Gillin, Jr. as a new Trustee. John was a camper and counselor during the 70's and 80's, and went on to lacrosse fame at the University of Virginia. The Gillin Family has always been a major component of the Tecumseh fabric, and John's son Hunter is currently a camper. John and his family reside in the Baltimore area.

Finally, if you haven't yet seen the brand new Tecumseh promotional video, you must get to our website – www.camptecumseh.net – and take a look. This 7-minute video can be used as an informational piece for prospective families as well as a motivational tribute to the Tecumseh spirit. Do Tecumseh a favor and share it with those in your community. If you do not receive our Blue-Gray Newsletters via email, please get to the website to update your contact information. Keep in touch with Camp Tecumseh and you are always welcome up for a visit!

"I would like to thank you for letting me come to the greatest place on earth. As soon as I arrived, I fell in love with Camp. The people are great; they are friendly, supportive, caring and honest. I made a lot of friends at camp this summer; some older and some younger. When I left I was in tears. I don't think that I ever felt so emotional when I left a place in my life, but really camp is not just a place it is a home..."

"I am writing to thank you for the generous scholarship extended last summer to our son from Camp Tecumseh. It was no surprise that he had a great time, but we were really pleased with how much he matured over the summer. We hope that he can continue to be considered for Blue-Gray dollars and he can continue to grow into a man at Tecumseh..."
