Of course, a large part of our ability to deliver the finest camping experience for boys in the country relies on fundraising. Not only does the Blue-Gray Fund give us the ability to offer needed scholarships, but endowment gifts ensure Camp's long-term stability. In total, our community contributed over \$550,000 to Camp this past year!

Much of this support came in the form of endowment gifts through our ongoing capital campaign; the Second Century Fund, which will be made public soon. The Blue-Gray Fund, which is our annual fund that supports scholarships and financial aid for campers, reached just over \$140,000 from 300 gifts.

You will notice through the Donor Report, this year's list is filled with great Tecumseh names which are now back and active in the CT community! In addition to the Pancho Mazza for Tecumseh Fund, the Kurz Family Scholarship Fund, and the George E. Stanley Scholarship Fund, this year the Merlini Family Scholarship Fund was established and will live in perpetuity with Camp Tecumseh to support generations of campers.

As interest remains high and we continue to attract boys from all over, it is important that we have the ability to offer financial assistance when necessary. The goal for the 2013-2014 Blue-Gray Fund is \$165,000. In order to help us reach this goal, perhaps this is the year to make Tecumseh your philanthropic priority and increase your Blue-Gray gift. Enclosed is an envelope for your return.

For those that have never made a gift to Tecumseh, remember that we are the same 501c3 non-profit organization as the other organizations that you may support, and part of our budget relies on your support to be able to deliver young men this life changing opportunity.

As you know, the Board of Trustees has begun the search for the next Director of Camp Tecumseh. Jim Talbot has led Camp into the new era over the past 13 years and has been a tremendous asset to the Tecumseh community. Under his leadership we have grown enrollment, shaped the finest staff we have seen in generations, added and renovated many buildings on campus, and expanded our program offerings to diversify the type of camper we now attract. Jim and Nina will spend their final summer at Camp this summer, so we look forward to another summer under their steady guidance.

Thank you for your support of Camp Tecumseh. We are in great shape today and the more you all stay connected, the better we will continue to get!

“The changes that I have seen in my son since he started going to Camp Tecumseh have been extraordinary. He has improved his independence, self-confidence, and leadership skills as a result of spending his summers with you. Without the support you have offered our family, none of this would be possible. Thanks again, and hope to see you again this summer.”

“I would like to thank you for letting me come to the greatest place on earth. As soon as I arrived, I fell in love with Camp. The people are great; they are friendly, supportive, caring and honest. I made a lot of friends at camp this summer; some older and some younger. When I left I was in tears. I don’t think that I ever felt so emotional when I left a place in my life, but really camp is not just a place it is a home...”

“My Camp Tecumseh experience was great. I learned alot of things that will help me in life. The counselors made me feel at home...The first kid I met he helped me with everything, and we were in the same cabin so that worked out well...Everything about the camp was perfect...Camp Tecumseh was the highlight of my summer, and one of the highlights of my life. Thank you all for such a great experience and opportunity!”
